Heritage Lifetime Warranty

At Lionel, a commitment to lasting product quality is a legacy handed down from our founder, Joshua Lionel Cowen. His goal was simple: to build the best electric trains in the world. It was a practice that helped separate Lionel electric trains from the rest, and it's been doing just that for more than 97 years. Today Lionel still works to practice this commitment to quality every day. That's why we are pleased to announce the Lionel Heritage Lifetime Warranty program starting with the product in this catalog. All Heritage products will come with a Lifetime Warranty because Lionel products are built to provide a lifetime of enjoyment. We are committed to providing you with the best product, the best service and the best warranty available in the industry. To prove our commitment to you, we extend this offer. If your Lionel Heritage product does not meet your expectations in original material or workmanship, we will make it right - guaranteed. To activate your Lifetime warranty, simply call us, or contact our Website. For more information regarding our new Lifetime Warranty see the back cover.

All products are made or assembled in the U.S.A.

622**NEW YORK CENTRAL NW2 DIESEL SWITCHING LOCOMOTIVE**

You've waited 47 years and you won't be disappointed! *This* is the way you wanted us to make it:

- Command-equipped
- RailSounds 2.5™ (We've got so much stuff in the cab that we couldn't fit in a battery. As a result, if

you're not operating in Command mode, just switch to digital SignalSounds™.)

- Die-cast frame
- Electocouplers™ front and rear, for the ultimate in yard operation.
- Magne-traction®
- Metal handrails

- Metal horn and bell
 - Pullmor® Classic AC motor
- The switcher is our first yard locomotive equipped with all of our latest operating features. It's sure to be another Lionel legend. (6-18959) Length: 12" \$599.95

704 WARHORSE ATSF HUDSON FREIGHT SET

This unique set represents the continuation of our Warhorse series. One of the engine's many features is the brand new Wireless Tether™, an infrared communication system that eliminates the hard tether between an engine and tender or B-unit. This engine also includes:

- Command-equipped
- RailSounds 2.5™
- Pullmor® Classic AC motor
- Magne-traction®
- Detailed cab interior
- Metal handrails
- Firebox glow

DETAILED TENDER WITH METAL RAILS AND LADDERS

- Directional lighting
- Tender mounted Electrocoupler™

WEATHERED MARKINGS

ILLUMINATED INTERIOR

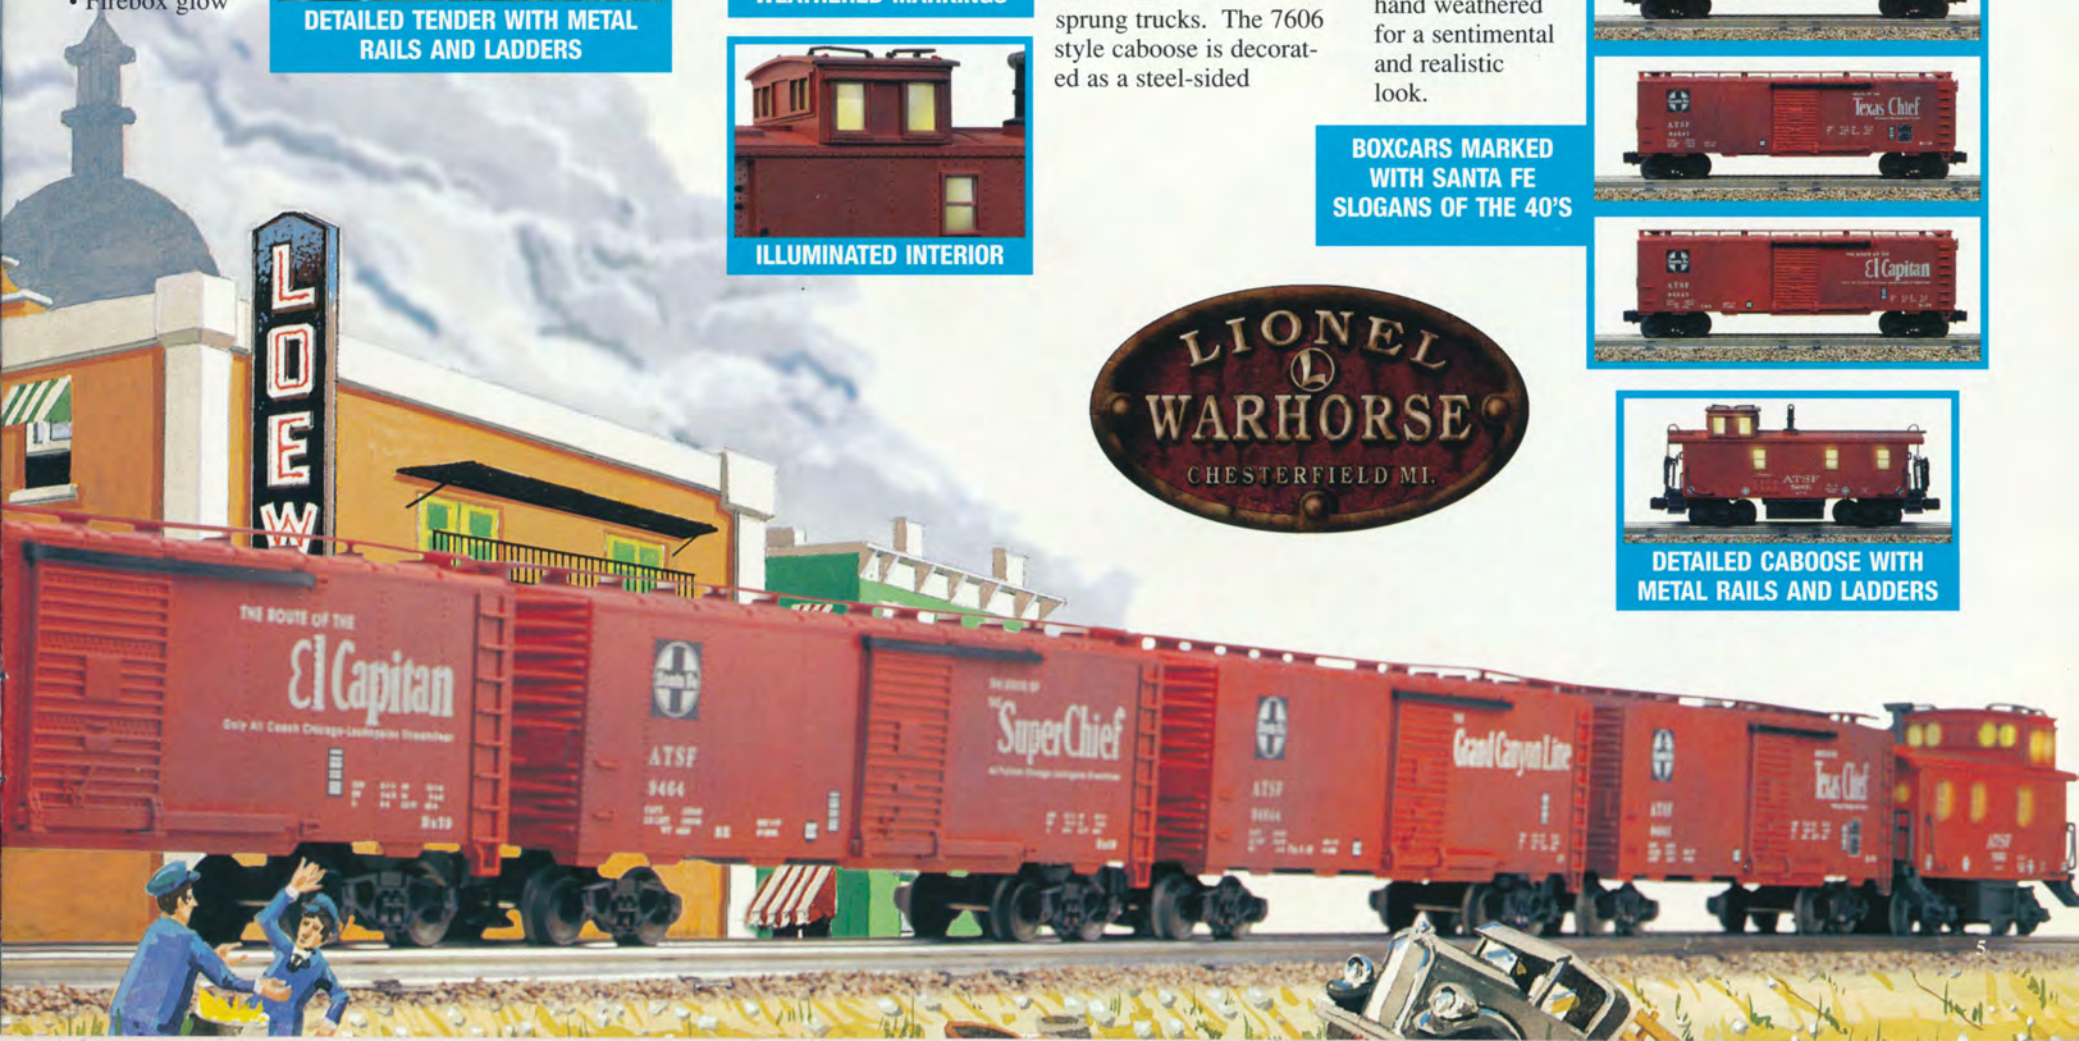

Each 9464 boxcar is authentically decorated with one of the classic Santa Fe slogans introduced in 1940, and features a metal brake wheel and die-cast sprung trucks. The 7606 style caboos is decorated as a steel-sided

AT&SF caboose, with die-cast trucks, interior illumination, and metal brake wheels. And in keeping with the Warhorse theme, the entire train is hand weathered for a sentimental and realistic look.

5500 SOO LINE SD60 DIESEL LOCOMOTIVE

The 5500 SOO line SD60 was designed by the Electro-Motive Division of General Motors for heavy-duty drag operation such as unit coal train service or powering medium-speed freight trains in mainline service. This is only the second time we have run this engine. The first was Conrail in 1994. This one has all the updated features you would expect:

- Command-equipped
- Railsounds 2.5™
- Die-cast Frame
- Die-cast Trucks
- Electrocouplers™ front and rear
- Magne-traction®
- NEW! Oscillating Ditch Lights (Command-mode)

- Blow the horn and the ditch lights begin to oscillate.

This powerful modern-era diesel would make a great addition to your layout. Length: 16 1/2" (6-18232) **\$599.95**

Minimum radius: 0-31

UNION PACIFIC GP9 UNIT-TRAIN SET

WOW! That's the only word we could come up with to describe this unique offering. It starts with the GP9, one of our most popular engines and certainly one of our best values. The powered units have the following features:

- Metal frame
- Command-equipped
- Railsounds 2.5™
- Electrocouplers™
- Magne-traction®
- Working strobe light
- Pullmor® Classic AC motor
- Die-cast trucks

And it doesn't stop there. We've added even more features for this special Heritage offering.

CAB LIGHT

INTERIOR ILLUMINATION

Minimum radius: 0-31

Each GP9 has a finished cab interior and an engineer figure. (Powered units only, of course.) We're also using this opportunity to introduce an all-new GP9 digital recording and our two newest Railsounds features – CrewTalk™ and TowerCom™. CrewTalk gives you the simulated sounds of muffled radio communication, while TowerCom gives you arrival and departure announcements that refer to the appropriate specific engine number.

There are two sets being offered. You can purchase them separately, or put them together for one of the most realistic and impressive trains your friends and family will ever see.

(6-11956) This set includes a UP GP9, number 2380, and a dummy GP9, number 2381. The non-pow-

ered unit has directional lighting and Electrocouplers. Length: 28¼" \$499.95

(6-11837) This set includes a UP GP9, number 2397, equipped with a brand new digital recording, six – that's right, six – 6486 die-cast ore cars (each weighs almost 1½ pounds) numbered UP64861-UP64866, plus a 6517 illuminated bay-window caboose with metal brake wheel, die-cast trucks and stamped metal frame with die-cast underbody. The entire set is decorated in Union Pacific colors for an impressive real-life look. Length: 5'7" \$749.95

OPTIONAL DYNAMIC BRAKE HATCH INCLUDED

EXTRA POWER FOR THOSE UPHILL GRADES

CHESAPEAKE & OHIO HEAVYWEIGHT PASSENGER CAR 4-PACK

We heard you! We have received many positive comments regarding our heavyweight passenger cars, so we are offering another set, including two NEW cars – a sleeper and a diner! With great features including die-cast trucks, magnetic couplers, opening doors and diaphragms between the cars, these cars will be a perfect complement for your C&O Hudson. Length of each car: 18 1/4" (6-19087) \$399.95

2390 NORTHERN PACIFIC F3A-B
DIESEL LOCOMOTIVE SET

By popular demand! You asked for it and we listened – it's the passenger scheme! Designed to complement the NP all-Vista Dome four-pack of passenger cars offered in our last Heritage catalog, this diesel locomotive set has it all:

- Command-equipped
- RailSounds 2.5™
- Electrocouplers™ (front of A and rear of B)
- Directional Lighting
- Die-cast trucks
- Dual Pullmor® AC motors
- Magne-traction®
- Detailed cab interior with engineer
- Hand-applied porthole and ladder detail

Please note that this locomotive will be produced in a limited production run. (6-18147) \$599.95

LIONEL LIMITED LIFETIME WARRANTY

This Lionel (model railroad set, car, track, Accy, etc. SPECIFIC FOR PRODUCT) including all mechanical and electrical components, moving parts, motors and structural components, except for light bulbs, is warranted to the original consumer-purchaser, for his or her life, against original defects in materials or workmanship.

This warranty does NOT cover normal wear and tear, light bulbs, defects appearing in the course of commercial use, or damage resulting from abuse or misuse of the product by the purchaser. Transfer of this product by the original consumer-purchaser to another person voids this warranty. Modification of this product voids this warranty.

Any warranted product which is defective in original materials or workmanship and is delivered by the original consumer-purchaser to Lionel L.L.C. or an authorized Lionel L.L.C. service center, together with proof of original purchase, will at the option of Lionel L.L.C. be repaired or replaced, without charge for parts or labor. In the event the defective product can not be repaired, and a replacement is not available, a refund of the original purchase price will be granted. Any products on which warranty service is sought must be sent freight or postage prepaid, as transportation and shipping charges are not covered by the warranty.

IN NO EVENT SHALL LIONEL L.L.C. BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.

This limited warranty gives you specific legal rights, and you may have other rights which vary from state to state.

INSTRUCTIONS FOR OBTAINING SERVICE

If service for this Lionel L.L.C. product is required, bring the item to the nearest Authorized Lionel Service Center. Your nearest Lionel Service Center can be found by calling 1-800-4-Lionel, or by contacting our Website @ www.Lionel.com.

If you prefer to send it back to Lionel L.L.C. for factory repair, you must first call (810) 949-4100 or fax (810) 949-5429, or write to Customer Service, P.O. Box 748, New Baltimore, Michigan 48047-0748 stating what the item is, when it was purchased and what seems to be the problem. You will be sent a return authorization letter and label to assure your merchandise will be properly handled upon receipt.

Once you have received your return authorization and label, make sure this item is packed to prevent damage during shipping and handling. We suggest that you use the product's original packaging. This shipment must be prepaid and we recommend that it be insured.

Please make sure that you have followed all of the above instructions carefully before returning any merchandise for service.

INSTRUCTIONS FOR REGISTERING YOUR WARRANTY

Either contact our Website @ www.Lionel.com and go the warranty registration page to fill out the required information, or if you prefer call Lionel at (810) 949-4100 and choose the menu item, warranty registration. You will be able to give your warranty registration to the automated attendant to activate your warranty.

Notice: Catalog Misprint:

Please be advised that there is a misprint in this Fall Heritage Catalog. The price on item 6-18232 SOO Line SD-60 is incorrect as printed. The SOO Line SD-60 includes TowerCom and CrewTalk and sells for \$699.95. This is the price that is reflected on the Heritage order forms sent previously to your dealer.

We at Lionel apologize for this misprint.
